

## Indivior Announces \$175 Million Accelerated Share Repurchase

May 4, 2026

RICHMOND, Va., May 04, 2026 (GLOBE NEWSWIRE) -- Indivior Pharmaceuticals, Inc. (Nasdaq: INDV), today announced that it has entered into a \$175 million accelerated share repurchase agreement ("the ASR") with Barclays Bank PLC ("Barclays"). The ASR will be executed under Indivior's existing \$400 million share repurchase program previously authorized by the Company's Board of Directors. The ASR reflects the Company's confidence in its long-term strategy, cash flow generation, and commitment to disciplined capital allocation.

Under the ASR agreement, Indivior will make an upfront payment of \$175 million to Barclays and expects to receive an initial delivery of 3,717,473 shares promptly following execution. The final number of shares repurchased will be determined based on the volume weighted average price of Indivior's common stock during the term of the ASR, less a discount. Final settlement is expected to occur no later than the end of June 2026. Indivior does not expect the ASR to impact its previously issued financial guidance.

The remaining \$100 million under the share repurchase authorization may be used for additional repurchases from time to time, subject to market conditions and other factors. Repurchases may be made through open market transactions, privately negotiated transactions, or other methods permitted under applicable law.
